Forged Iron BY McKINNEY

McKinney Forged Iron Hardware is furnished in TWO STOCK FINISHES: DB (Dull Black) and K (Relieved Iron). McKinney Forged Iron is *Rust Resisting*. Before receiving the final finish, every piece is first heat treated with zinc and thoroughly *RUSTPROOFED* in accordance with the best modern practice and conforms to U. S. Government Standards plus.

McKinney Forged Iron is available in *Eight Authentic Designs* of Olden Times, with only such adjustments as are necessary to fit modern locks and application. The rough texture of the metal is carefully maintained.

Pictured below are six of eight available designs.
